Look and see.

Distracted Driving

https://www.youtube.com/watch?v=8ypX_dHWUUY

Remember that movie from the late 90's where the kid can see dead people? Look & See draws inspiration from the M. Night Shyamalan classic. It even comes with a twist!

The big message – if you're behind the wheel and not watching the road, you're not going to see what's happening right in front of you. And sometimes, the consequences could be deadly.
